HIGHLY ESTEEMED.
No liniment stands higher in the estimation of those who know its real value than Chamberlain's Pain Balm. There are thousands who feel that they cannot get along without it and always keep it in their homes. The pain from cuts, burns, bruises and like injuries is promptly relieved by its use and the injured parts quickly healed. Sold by all dealers, Benson, Smith & Co., agents for Hawaii.

Purity, Wholesomeness and Flavor are the principal requirements of a successful beverage—the United States Government report vouches for the first two and the verdict of the consumer for the last in—Rainier Beer.

THE "FOREST CITY" ART PORTFOLIOS

Constitute a Complete and Artistic Pictorial and Descriptive History

OF THE

GREAT ST. LOUIS WORLD'S FAIR

(Reduced Pen Sketch of Cover. Size of Page, 11x14 inches.)

SO THOROUGHLY does this Great Exposition represent the world's civilization that if all men's other works were, by some unspeakable catastrophe, blotted out, the records here established would afford a necessary standard for the re-establishment of our entire civilization. And, just as the Louisiana Purchase Exposition held within its gates an epitome of the civilization of to-day, so the Forest City Portfolios are a complete record and reflex of the great Exposition. This great World's Fair, one of the most remarkable undertakings in the history of American civilization and progress, will inspire many pens, but no history of the great event can compare with the one written on the grounds by Secretary Stevens and illustrated with 480 magnificent photographic reproductions, which transfer the Exposition to the printed page.
